

2025 NMREC VEGETABLE FIELD DAY

WHEN

Wednesday, July 23, 2025
8:30 am – 11:00 am

WHERE

**North Mississippi Research
and Extension Center**

5421 MS-145, Verona, MS 38879

TOPICS

Join us as we visit the ongoing research in multiple vegetable production systems including Tomatoes, Bell Peppers, and Southern Peas. Field Day will also include information on nutrient, water, and disease management.
