AL: Meeting ID 0009TF 10 credits (WDC, WDB, D&R, REG)

AR: Approved for all structural pest cat. (1, 2, 3, 7, & 8)

TN credit applied for - TBD

Termite University is a two-day short course that provides training focused on termites and wood destroying insect control and is approved for recertification in the following Mississippi categories: **WDI License** (Wood destroying insect control), **WDI Permit**, **WDI Registered Technician, Category VII-A** (Industrial, institutional, structural, and health-related pest control). This training is beneficial to both new and experienced technicians, as well as people preparing to take structural insect pests licensing or permit exams.

- The short course begins **9:30 AM, Monday, December 16**
- Day 2 resumes at **8:00 AM, Tuesday, December 17**
- Training will end around 4:00 PM on Day 2
- Lunch will be provided each day.
- Coffee and drinks also provided at breaks
- Attendees receive: a Termite University cap, an iron-on Termite University patch, a USB drive loaded with relevant documents, a Termite University Training Certificate, and recertification in the wood-destroying insect category (if card expires within one year).

REGISTRATION IS OPEN.

To register, go to the Termite University website:

<http://extension.msstate.edu/content/termite-university> or use QR Code below.

Click on “Register Now” at the top and complete the online registration form.

(Note that registration requires one to first create an MSU Extension Service Account—one time only.)

Registration is \$175 per attendee, payable online by credit card only.

Registration closes December 13, 2024, and enrollment is limited to 40.

If you are taking for recertification, be sure to provide your license/technician number.

After you register, you will receive a confirmation e-mail.

If you have problems registering, please call 662-325-3226

See the Termite University website for full details.

SAVE THE DATE!!!

Commercial Pest Control Training Workshop

January 24, 2025 8:00 AM – 4:00 PM

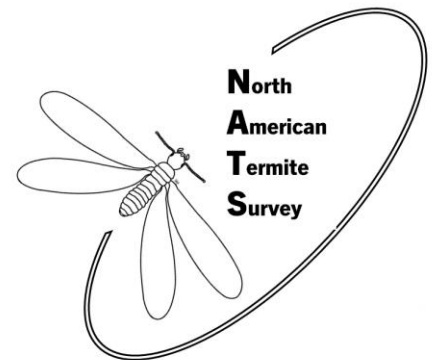

Live online webinar option only

The next Commercial Pest Control Training Workshop will be held virtually on **January 24, 2025**. The virtual workshop will run from **8:00 AM - 4:00 PM, with a break from 11:00 am - noon**. **Note: ALL PARTICIPANTS SEEKING CEU/RECERTIFICATION CREDIT MUST REGISTER AND PAY INDIVIDUALLY AND MUST PARTICIPATE IN THE ENTIRE WORKSHOP. THE WORKSHOP WILL CONSIST OF TWO DIFFERENT LIVE WEBINARS – ONE MORNING AND ONE AFTERNOON.**

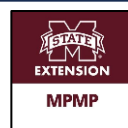

This workshop will have both a morning and afternoon live webinar component. The morning component will be presented by both the Mississippi State University Extension Service and the Mississippi Department of Agriculture & Commerce – Bureau of Plant Industry, and will cover German roaches and rodents as well as Mississippi rules and regulations. The afternoon component will be live streamed free of charge via the University of Georgia and will consist of multiple experts on the Formosan subterranean termite from the North American Termite Survey (NATS) Working Group.

This 7-hour workshop covers structural and household pests and is approved for recertification in the following **Mississippi** categories:

- WDI License (Wood destroying insect control)
- WDI Permit
- WDI Registered Technician
- GRC License (General pest and rodent control)
- GRC Permit
- GRC Registered Technician
- Category VII(A) (Industrial, Institutional, and Structural Pest Control).
