► **OFFICIAL HEALTH CERTIFICATE – REMINDER**

An Official Health Certificate with each animal identified will be required on all livestock showing at the 2017 Dixie National Junior Round-Up. This includes all market animals, beef breeding cattle, commercial beef heifers, dairy cattle (purebred and commercial dairy heifers), dairy goats and commercial meat goat does. Because the market shows are non-terminal, all market animals must be accompanied with an official health certificate obtained from a veterinarian.

► **ANIMAL HEALTH RECORDS**

Exhibitors are required to turn in a completed health record for each animal to be shown that lists all medications and treatments received within 60 days prior to the show. Extension agents and FFA advisors – be sure to distribute these health record forms early so exhibitors can keep track of their livestock treatments.

► **REMINDER – 2017 DISTRICT AND JUNIOR ROUND-UP SHOWS!!**

► **PURCHASING PROJECT ANIMALS FOR SPRING SHOWS**

Spring shows will be here soon. Now is a good time to run a final survey of your 4-H’ers to determine if additional purchases are needed and to be locating them. The only ownership deadlines that have passed are for market steers, market lambs and market goats. You have until December 1 to purchase your market hogs, beef breeding animals, commercial beef heifers, dairy cattle, commercial meat goat does and dairy goats. Ownership and entry deadlines on these animals for spring shows are:

Dairy Cattle	December 1	Market Hogs	December 1
Dairy Goats	December 1	Beef Breeding	December 1
Commercial Beef Heifers	December 1	Commercial Meat Goat Does	December 1

► **CATTLE REGISTRATION PAPERS FOR JUNIOR SHOWS**

Double check registration papers on breeding beef and purebred dairy to be sure they are in proper order. Now is the time to correct any problems. Remember that papers must be in the exhibitors name only. Farm names or joint ownership with adults are not acceptable. **DON’T ASSUME THAT EVERYTHING IS RIGHT – CHECK!!** Papers may be in multiple siblings’ names provided they are all 18 years of age or younger.

► **ENTRIES FOR DISTRICT & ROUND-UP SHOWS**

Now is the time to be getting your entries in order. All entries must be turned in to the Extension office by **December 1, 2016**. All original nomination forms must be sent to the ADS Office along with a printout of all entries with the signature of the person in your county with 4-H Livestock responsibilities **verifying that all entries are complete and accurate**.

► **REMINDER: 4-H/FFA MEMBERS MUST BE ETHICS CERTIFIED TO SHOW LIVESTOCK!!**

The 2017 District and Dixie National Junior Round-Up livestock shows will be here soon and the Mississippi Livestock Quality Assurance training for **NEW** exhibitors should be completed by December 1, 2016. Any youth going from a junior (age 8-13) to a senior (age 14-18) will also need to be recertified as a senior. The training is available on the 4-H livestock website. Code of Conduct Forms can be requested from ADS.

► **EXHIBITOR'S AGE FOR DISTRICT LIVESTOCK SHOWS & DIXIE NATIONAL JUNIOR ROUND-UP**

Remember that exhibitor's age will be 8 –18 years of **age as of December 31, 2016**. Agents/Advisors have the responsibility to see that all exhibitors are of the proper age.

► **IMPORTANT RULES TO KEEP IN MIND**

- 1. Animals with pending registration numbers after January 5, 2017, will not be allowed to show at the District and Dixie National Junior Round-Up Livestock Shows unless extenuating circumstances are presented in writing to the Rules Committee within 5 days of the deadline date. Animal registration information will be verified electronically before the shows.** This means if you have exhibitors who nominate any registered animal (beef breeding; purebred dairy cattle; dairy goats) with pending information (name; registration number; etc.) by December 1, the exhibitor must turn in completed registration information to you by January 5 in order to show at the District/DNJR. You will then email the completed animal information to ADS using the same spreadsheet you used back in September.
- 2. This rule below pertains to some purebred dairy cattle exhibitors: A signed affidavit by the current owner, exhibitor, exhibitors' parent or guardian and Extension Agent or FFA Advisor stipulating to the fact that the exhibitor is in possession and has ownership of the animal for the purposes of showing at any Mississippi Junior Dairy Show for the dates recorded on the affidavit. All other rules concerning possession, housing and care of the animal would still apply as per Mississippi show rules and regulations. A copy of the affidavit and registration certificate must be sent to the ADS by the ownership deadline of December 1. When junior dairy exhibitors show a purebred dairy animal using the affidavit, they should have the ORIGINAL affidavit and a copy of their dairy animal's registration certificate in their possession.**

► **HOGS SHOWING AT 2017 DISTRICT AND ROUND-UP SHOWS**

**THE DEADLINE FOR ARRIVAL OF MARKET HOGS AND BARROWS FOR THE 2017 DIXIE NATIONAL JUNIOR ROUND-UP IS 12 NOON ON THURSDAY, FEBRUARY 2. THIS DEADLINE IS NEEDED TO START SWINE SHOWMANSHIP ON FRIDAY FOLLOWED BY THE BARROW AND MARKET HOG SHOWS.**

All market hogs for the 2017 District and Round-Up Shows must be nominated and ear tagged by the time of online entry. Below are the deadlines for market hogs:

December 1, 2016 - Market hog ownership and entry deadline for 2017 District & Round-Up Shows

**Nomination Process for Hogs-** What you must submit for each hog nominated:

- 1. Mail individual nomination form for each hog to ADS Department. Each nomination form must be completed (P.O. Box address is not acceptable for physical location of an animal) and signed by the exhibitor, parent, and supervising Extension Agent or Vo-Ag Advisor.**
- 2. Official ear tag number – each hog must be tagged with official ear tag for 2017 prior to nomination deadline.**
- 3. Submit county entries through the Extension Intranet website (should be available by mid-November 2016).**
- 4. Keep a hard copy of your entries for your files.**

Let hog exhibitors know about these dates and double check with them to be sure your records are in order and that all market hogs are properly entered. Do not send us nomination forms after deadline date. Please do not wait until the last day to take care of this business.

Order form for hog tags and nomination forms for hogs were sent to you earlier. If you failed to get this material, please call my office. County Extension Agents or Vo-Ag Advisors must make nominations of hogs for exhibitors under their supervision.

Each hog must have an individually completed nomination form including breed information and signature of the exhibitor, parent, and Extension Agent/Vo-Ag Advisor.

**►CLASSIFICATION OF NEW COMMERCIAL BEEF HEIFERS AND RETINAL IMAGING OF NEW COMMERCIAL BEEF HEIFERS AND COMMERCIAL MEAT GOAT DOES**

Now that exhibitors have the opportunity to enter commercial beef heifers and commercial meat goat does by December 1, the heifers must be classified and retinal imaged while the commercial meat goat does must be retinal imaged. This will take place on **Tuesday, December 13, from 8:00 a.m. to 1:00 p.m. at the Calhoun County Fairgrounds in Pittsboro and on Wednesday, December 14, from 8:00 a.m. to 1:00 p.m. at Hinds Community College in Raymond.**

These are the only dates and times to get newly entered commercial beef heifers classified and both commercial beef heifers and commercial meat goat does retinal imaged. If a heifer that was previously retinal imaged and classified is sold to another exhibitor, that heifer does not have to be re-imaged and re-classified. If a doe that was previously retinal imaged is sold to another exhibitor, that doe does not have to be re-imaged. You just need to attach a sheet of paper stating the name and county of the previous owner so the entries can be adjusted for both exhibitors.

**►MARKET STEERS, COMMERCIAL BEEF HEIFERS, COMMERCIAL DAIRY HEIFERS AND MARKET GOATS**

Check with your 4-H'ers who are exhibiting market steers, commercial beef heifers, commercial dairy heifers and market goats about horns. All commercial beef heifers, steers and market goats showing at the District and Dixie National Junior Round-Up Shows must be polled or dehorned, with no scurs or regrowth to exceed 1½ inches above the skin. All commercial dairy heifers must be dehorned. Now is the time to take off the horns or any regrowth to allow for proper healing. Horn length will be checked at all District Livestock Shows.

►2016 MISSISSIPPI STATE FAIR RESULTS

The 2016 Mississippi State Fair junior livestock shows were outstanding and a showcase for the junior livestock program in Mississippi. Extension agents, FFA advisors, leaders, parents and exhibitors are to be commended on their fine cooperation and dedicated work put into this event to make it successful. Congratulations!
