Mississippi MarketMaker Mobile Website: ms.foodsearcher.com

The Mississippi MarketMaker mobile website was launched January 19, 2012 and is now ready to expand the use of MarketMaker! Keep an eye out for the upcoming MarketMaker newsletters informing you about the app with examples similar to the ones we used in our previous emails.

What to Expect with the mobile website:

- User Friendly
- Uses your location
- Up-to-Date
- Available wherever you have reception

What phones can access the mobile website?

Any phone with internet access can access the Mississippi MarketMaker mobile website!

Does it cost anything to use the mobile website?

No. Just like MarketMaker is free, so is the mobile website.

What is the address for the mobile website?

ms.foodsearcher.com

If I am in another state, can I use the MarketMaker mobile website?

Yes. Instead of ms.foodsearcher.com, use the postal abbreviation of the state of where you are. For instance, if you are in Alabama, type in al.foodsearcher.com or if you are in Louisiana, type in la.foodsearcher.com.

"This program is funded in part through grants provided through Gulf States Marine Fisheries Commission, Oil Disaster Recovery Program under NOAA Fisheries grant award number NA10NMF4770481".
