WHAT'S HAPPENING IN WARREN COUNTY 4-H

It's time for our 4-H Annual Livestock Shows! Have you ever been? This is a great opportunity to support other 4-H'ers and learn about different livestock animals, how they are judged and their care. The Southwest District holds a District Livestock Show each year where you can show off your judging, and showmanship skills. Not to mention, you get to display all of your hard work and dedication when it comes to caring for your animal. The Dixie National Livestock show also takes place during February

4-H LIVESTOCK PROGRAM

Each show includes meat goats, dairy goats, beef and dairy cattle as well as hogs. Caring for these animals gives you the opportunity to learn about food quality through proper handling, nutrition and care. Not only does it provide you with great life experience and education, but you also have the chance to develop lifelong friendships through the 4-H Livestock Program

We wish our 4-H'er, Haley Nevels, good luck at the Commercial Dairy Calf Show! Good luck, Haley!!
